

What Matters To You

Who should attend

Anyone who provides Palliative and End of Life Care in any setting.

These events aim to deliver education around tools to support future care planning for any professionals who provide palliative and end of life care to the people of the North West in any setting.

The focus is on Early Identification, Advance Care Planning and Personalised Care, supporting people with life limiting conditions, Anticipatory Clinical Management Planning Guidance (including DNACPR) and digital record sharing.

Date

16th – 19th November 2021
Series of free virtual webinars
via MS Teams

What you need to know

The North West Clinical Networks invite you to attend a series of free End of Life Care webinars around the topic of future care planning:

“Tell 3 People” supports provision of good End of Life Care for people who live in the North West
